**Doctors Administrative Solutions COO Jennifer Shimek
Named to the *Gulf Coast Business Review's* 11th Annual 40 under 40 List**

TAMPA, Fla. – (Oct. 7, 2011) – Jennifer Shimek, COO of Doctors Administrative Solutions (DAS), has been honored by the *Gulf Coast Business Review* as one of 2011's "40 Under 40," an annual list of the brightest young entrepreneurs, executives and professionals from Tampa to Naples.

"It is no surprise that Jennifer is being honored as one of the best and brightest young business leaders in the region," said David Schlaifer, CEO of DAS (www.Dr-Solutions.com). "She is truly passionate about all that she does and we are honored to have her as part of our team."

As COO, Shimek is responsible for overseeing the daily operations of DAS, which helps physicians leverage IT advancements to run more profitable and effective practices. Prior to joining the firm, she was Director of Clinical Services and Managed Care at HealthPoint Medical Group, a Tampa-based multispecialty physician practice owned by BayCare with more than 120 physicians. There, she was responsible for all of the physician quality initiatives, including Medical Home, NCQA DRP Accreditation, PQRS, ePrescribe, coding, risk management, medical malpractice and others.

Previously, Shimek was COO of the Florida Orthopaedic Institute, where she managed a clinical and administrative staff of more than 300 and the operational aspects of the 33-physician practice in Tampa. She was also a Manager of Health Sciences for Ernst & Young, where she provided national and international consulting services in healthcare.

Shimek earned a bachelor's degree from Florida State University and an MBA from the University of South Florida. She is currently working toward her Juris Doctor degree from Stetson University.

About Doctors Administrative Solutions

Founded in 2003, Doctors Administrative Solutions (DAS) is dedicated to helping physicians throughout West Central Florida run more profitable private practices through the implementation of electronic health record (EHR) and practice management (PM) solutions. From local implementation to ongoing, in-person, onsite training and local support, DAS is there every step of the way to ensure that physicians and practice staff are comfortable and confident working in the paperless environment.
